Legal

Terms & Conditions

Thank you for choosing **1st for Women** to take care of your legal matters. This policy document contains the details you need to know about your Legal Insurance Policy, so please carefully read it. It is important to take note of each section, its cover, limitations, and waiting periods, to ensure you fully understand the cover provided under each section.

This policy wording is generic and must be read in conjunction with your policy schedule, as not all cover may apply to the plan or option you have selected. Please contact us if you have any questions regarding your cover, and periodically review your cover to ensure it is appropriate for your needs.

What makes up your insurance policy?

These terms and conditions, the policy schedule – together with any correspondence (emails and letters) sent to you, as well as any verbal agreements made (such as recorded telephone calls) - will form part of your insurance policy. Make sure that you are familiar with the contents of all the documents and that all the details noted in your policy schedule are correct.

Who is covered?

We will cover the policyholder, and in some instances his/her legitimate spouse and up to four (4) dependent children.

Dependent children must be unemployed, unmarried and under the age of 25. If you get married after the commencement of your policy, the date of marriage will be noted as your spouse's commencement date. From this date, he/she and his/her dependent children will be subject to the applicable waiting periods.

Please refer to each benefit section to see who is covered.

Explaining insurance terms used in your policy

In this document, the following words and expressions have been used. We have given a short description of what these terms mean, so that you have a better understanding.

Administrators

Legal benefits and claims are administered by LIPCO Group (Pty) Ltd, an authorised Financial Services Provider FSP (7508).

This is a mandated type of debit order that allows a user to confirm the details of a contract with their bank before the debit order is processed.

These messages may target you or a member of your household, and inflicts or threatens to inflict physical or psychological harm. This includes, but is not limited to, cyber stalking/bullying/mobbing, offensive name-calling, and deliberate embarrassment.

Platforms used for cyber harassment include:

- website comment sections; or
- online discussion sites and chat rooms.

Data

Machine-readable information, including but not limited to numbers, characters or original images.

Electronic device

Electronic devices such as desktops, laptops, smartphones and tablets, as well as the data stored thereon.

Inception date

The date on which your policy first becomes active. This will always fall on the first day of a calendar month and commences from the first successful collection of the debit order.

To defend and/or institute legal action resulting from an insured event covered under this policy.

Mediation

Month

For this contract, a month means one full calendar month commencing on the first day of each month.

Pre-existing matter

A legal matter or dispute that originated before the policy inception date, where you knew or should have known about it at the time you signed up for this policy. That matter may also relate to an event or alleged event that took place before this policy's inception date.

Any matter or dispute that arises during any waiting period will also be considered a pre-existing matter.

Prospect of success

A good chance of winning a case based on previous similar cases in South Africa, or an assessment of a legal practitioner appointed by us. Failure to provide us with sufficient evidence that you have good merits to be successful will mean that your matter lacks the prospect of success.

Schedule

This is the document that lists the details of your cover, limits of indemnity and applicable waiting periods and the policyholder's details.

You, your, yourself

This refers to:

- The main policyholder (in other words, the person who signed up for this policy).
- The main policyholder's legitimate spouse.
- The main policyholder's legitimate children covered under this policy.
- The executor of the deceased estate

Virus

A piece of code that is capable of copying itself and typically has a detrimental effect, such as corrupting the system, or copying or destroying data.

Waiting period

The stipulated period stated in your schedule, from your inception date, during which you are not entitled to any policy benefits.

We, us, ours

This is your insurer (the company providing you with cover), or any administrator or service provider appointed by the insurer and/or their designated administrators.

General conditions

How do we indemnify you?

If you have a valid claim, we will indemnify you or our appointed administrators up to the maximum amount, as specified in the schedule, for events or services that are covered by this policy.

Limit of indemnity

This is the maximum amount that we will pay for each benefit under this policy and is stipulated in your policy schedule. An overall annual limit of indemnity also applies. We will not pay any amount exceeding these limits of indemnity.

The annual limit of indemnity is calculated from the policy commencement date and the next policy anniversary date. Any balance left at the end of a policy year will lapse.

Policy changes and cancellations

Any change or cancellation can be made by notifying us at least one calendar month in advance of your next payment. If you cancel your policy during an insured month, the premium paid for the rest of that month will not be refunded to you. However, you will be covered for the remainder of that month.

Cancellation requests may be sent in writing to policyservices@firstforwomen.co.za or by calling **0860 10 95 71**.

We may change or cancel your policy by giving you 31 days' notice via email or post to the address stated in your policy schedule.

Policy review

Your policy will be reviewed each year in the month that your policy originally started. Any changes made to your policy before the review date will also be part of that review.

Payments

Your policy is a monthly policy and you must pay the premium in advance. Your debit order for the premium will be deducted on the agreed date stated in your schedule.

We reserve the right to deduct the premium on an alternative date to ensure that you are covered. If your deduction date falls on a Sunday or public holiday, your premium may be deducted on an earlier date.

Payment not received

If we do not receive the monthly premium on the deduction date as stated in your policy schedule, you will not have any cover for the period in which you did not pay.

Should your monthly debit order be unsuccessful from the second month after inception, we will allow a 15-day grace period for payment to be made to keep you covered in the event of a claim.

When your cover is stopped because we did not receive your premium, we have the right to debit your account again the following month to reinstate your cover. You must make a payment for your cover to start again.

If payment is not received for three months in a row, your policy will be immediately cancelled.

Disputed payments

The policy will be cancelled immediately if you decide or instruct your bank to stop the debit order.

Premium refunds

No refund of premiums will be authorised if the policy is cancelled due to unsuccessful claims.

If you cancel your policy or part thereof because you also have cover for the same events with another insurer, your premium refund will be limited to 50% of the premiums received.

Authenticated collections

We reserve the right to collect any failed or rejected premium through authenticated collections or by double debiting the nominated bank account. This may incur additional charges for which we are not responsible. Authenticated collections may run at any time from the date of notification by the collection agent of the failed/returned debit order and, therefore, will not be collected on the nominated debit order date.

Cooling-off period

Should you cancel the policy during the fourteen (14)-day cooling-off period, any premiums that have been debited will be refunded to the nominated bank account, given that no benefits have been provided.

Plan upgrades and downgrades

If you decide to upgrade your existing plan, any waiting period applicable to the new benefits will apply.

A calendar month's notice must be given for the upgrade/downgrade of any plans.

To provide you with our services, we are required to process your personal information, and will do so in accordance with our business requirements and legal obligations. Your obligations

If you do not fulfil any of the obligations listed below, your cover may be cancelled, or you may not have cover when you claim. You must:

I.e. we will only pay legal fees according to the agreed fee structure we have in place with our panel attorneys, meaning that any balance will be for your own account if your own legal representative charges more.
5. Attend all court dates. If you do not appear in court without a valid reason, and we lose any bail money paid, you will have to pay the money back to us.
6. Use all reasonable care and take due precautions to prevent or minimise loss, damage, or liability.
7. Not admit any fault, nor make any offer of settlement, without our written agreement.

2. Provide us with any information, proof, documentation and cooperation that we ask for, within fourteen (14) days of our request.

Dual insurance

If any matter or dispute covered under this policy is also insured by another insurance product or insurer, we will only indemnify you for our portion of the costs or loss.

How to claim

If you want to submit a claim, call **0860 10 95 71** Monday to Friday between 08:00 and 17:00.

Jurisdiction

This policy is subject to the laws and statutes that apply in the Republic of South Africa.
